

## GigaPan Goes to the Masters Tournament

Sports Illustrated and Golf.com are using the Global Connection Project's GigaPan technology to bring the Masters Tournament – or at least the Augusta National golf course – just a little closer to readers and viewers. The Golf Plus special edition for the Masters, which Sports Illustrated sends to some of its subscribers, features a double gatefold panorama of Augusta National's 18<sup>th</sup> and 9<sup>th</sup> greens produced by SI photographer Fred Vuich using the GigaPan system. And Golf.com features several interactive GigaPans of the course,
