

Research Qualifier Committee
for the Robotics Ph.D. Program

Student's Name: _____

Date of entry to the Ph.D. Program: _____

To complete the Research Qualifier, the student must form a Research Qualifier Committee consisting of three faculty members and one Robotics Ph.D. student who has completed his or her second year of study. One faculty committee member must hold a primary appointment in Robotics. The faculty members should include the student's advisor, one faculty member from the student's research area, and one faculty member from outside the area.

All of research, speaking, writing, and TA assistantship make up the Research Qualifier.

Constituting the Committee - no later than the fall Black Friday of the student's second year:

Faculty Member #1:
